**HONORING**

**Joseph P. Carlucci**

**David Swope Leadership Award**

It is fitting that Joe Carlucci will receive the David Swope Leadership Award, named after one of our founding leaders. Joe and David met through the JBFC in 2000 and together, they helped to turn a fabulous dream into a vibrant reality. A founding board member, Joe has served the JBFC tirelessly over the years. A partner at Cuddy & Feder, Joe is deeply involved in the community, giving his time and talent to a number of nonprofit organizations over the years, including Mercy College and Westchester Community College.

**Entertainment Community Fund**

**Vision Award**

Since 2017, the Jacob Burns Film Center has presented our ongoing series, *Life on the Stage*, in partnership with the Entertainment Community Fund (formerly The Actors Fund). The Fund, a national human services organization, addresses the unique needs of people who work in performing arts and entertainment with services focused on health and wellness, career and life, and housing. For more than 140 years, the Fund has maintained a vital and unparalleled role in supporting a life in the arts.
